The 2009 Boys & Girls Club Olympics was a huge success!
10 students from each school competed in 9 events.

The events were; Single Races, Relay Races, Football Throw, Broad Jump, Basketball, Ball Archery, Board Game Competitions, Homerun Derby, and Competitive Dance.

You could tell how excited all the kids were about each event.
The competition was fierce but much fun was had. Even though the kids were pumped and determined to win each event, our members greatly respected one another.
Our parents should be proud of their kids.
